## Local Businesses

### STICK WITH THE VALLEY CAC!

Do you have bags that need to be sealed, a box you want to stay closed, or an empty space on your coffee cups? We can help! We will provide you with our BLUE personalized stickers that have a message of hope and a QR code that directs your patrons to our prevention website where they can learn more about ways to prevent child abuse. This is a small and easy way that YOUR business can make a HUGE impact on the lives of survivors in our community.

### YOU'VE GOT THE BLUES!

Get creative and turn one of your items blue in honor of Child Abuse Prevention Month. Whether it is a blue drink, blue cookie, or blue pizza crust, this is a great way to spark the curiosity of potential customers while supporting a worthy cause! We invite businesses to donate a portion of those sales, if they are able. We will be promoting all of the "BLUE" items on our website, social media, email blasts, and the QR code to guide people to participating businesses like yours. We then encourage our followers to post pictures with the hashtag #SupportValleyCAC.

### DISPLAY YOUR SUPPORT!

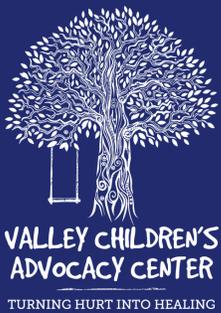

Whether you have a big window to decorate or a smaller space for a table tent, we would love for you to display your best blue items to let the community know you are supporting child abuse survivors and the Valley CAC during Child Abuse Prevention Month. If you need ideas or a helping hand to create your display, we are happy to help!

### JOIN THE PINWHEEL FAMILY!

Register for a FREE pinwheel kit using this [link](#). Pinwheels serve as a visual reminder of the bravery and courage child survivors have displayed throughout their lives. Our hope is that survivors in our community will be inspired and uplifted seeing the displays of pinwheels. We anticipate these kits will ignite a community-wide discussion, garnering awareness, and addressing the issue of child abuse. Pinwheel Kits include 2 yard signs and a bundle of pinwheels.
